

31-Aug-14

Pupil: Pupil A  
 Class: Year 6 Sample  
 School: Great Primary

Point Score: 28.5  
 NC Level 4b  
 NC14 Progress Y6 Expected

Pupil A has made great progress this year. Due to focused group work and homework their multiplication and division has really improved since Year 5 and this is reflected in the assessments. Ratio and proportion is a new area to them and should now be a focus.
