Notes for use of this script

This paper should take approximately **10 minutes** to complete, although you should allow the pupils as much time as they need to complete it.

Please read out the instructions as stated below.

Listen carefully to the instructions I am going to give you.

I am going to read 15 sentences to you. Each sentence has a word missing in your answer booklet. You should listen carefully to the missing word and fill it in, making sure you spell it correctly.

I will read the word, then the word within a sentence, then repeat the word a third time.

Do you have any questions?

Once the pupils' questions have been answered, the fifteen spellings should be read as follows:

1. Give the spelling number.
2. Say 'The word is...'
3. Read the context sentence.
4. Repeat 'The word is...'

Leave at least a 12 second gap between spellings.

Finally, you should read all 15 sentences again.

Give the pupils the opportunity to make any changes they wish to their answers.

When you have completed all the sentences, say:

This is the end of the paper – now please put down your pen or pencil.
