Instructions

You **may not** use a calculator to answer any questions in this test.

Work as quickly and as carefully as you can.

You have **45 minutes** for this test.

If you cannot do one of the questions, **go on to the next one**.

You can come back to it later, if you have time.

If you finish before the end, **go back and check your work**.

Follow the instructions for each question carefully.

This shows where you need to put the answer.

If you need to do working out, you can use any space on a page.

Some questions have an answer box like this:

Show
your **working**.
You may get
a mark.

For these questions you may get a mark for showing your working.

1

Write in the missing numbers.

$$\boxed{} + 85 = 200$$

$$4 \times \boxed{} = 120$$

$$120 - 51 = \boxed{}$$
