Journey Story Plan

Think of your main character. Write two simple things about them (eg age/ name/where they live)

1) _____

2) _____

Why do they need to make a journey?

_____

_____

Where do they need to get to?

_____

Will there be a second character in the story? *If so, will they go on the journey with the main character? Will they help somehow? Will they get in the way of the journey?*

_____

_____

What is the main bit of the journey? *How will they travel? What will the setting be like? (through mountains, across the sea, through space, down a river, through a town or jungle….???)*

_____

_____

What complication will there be near the end of the story? (will the character face a dilemma? Will they have to make an important decision? Will they face a problem that they need to get past to finish their journey?

_____

_____

_____

How does the character solve the complication and how does the story end?
