2023 key stage 1 English grammar, punctuation and spelling test

The key stage 1 English grammar, punctuation and spelling test consists of 2 papers. The papers must be administered in order. Pupils do not have to sit both papers on the same day. If both papers are administered on the same day, pupils may benefit from a break between papers. Both papers can be administered to the whole class, smaller groups of pupils or on an individual basis.

Paper 1: spelling

The following information explains how to administer the key stage 1 English grammar, punctuation and spelling test Paper 1: spelling. The transcript for administration of the test is included in these instructions.

Please follow these instructions correctly to ensure the test is properly administered.

Format	 Paper 1: spelling consists of an answer booklet for pupils to complete and a test transcript to be read by the test administrator. The transcript is included in this guidance. It is expected that Paper 1 will take approximately 15 minutes to complete, but it is not strictly timed. It is at your discretion to choose when, or if, a pupil requires a break during the test or whether, if appropriate, to stop the test early.
Equipment	 Each pupil will need the equipment specified below: a pencil or blue or black pen Rubbers are allowed, but please encourage pupils to cross out answers they wish to change instead of rubbing them out. Highlighter pens may be used if this is normal classroom practice. Pupils are not allowed: dictionaries electronic spell checkers bilingual word lists or electronic translators
Assistance	 You must ensure that nothing you say or do during the test could be interpreted as giving pupils an advantage, for example, indicating that an answer is correct or incorrect, or suggesting the pupil look at an answer again. You should take care not to overemphasise spelling when reading out the words that pupils need to spell. There is no specific hearing impairment guidance for this test, but be careful when signing to ensure you do not convey information that could give pupils an advantage. If this paper is presented through sign language, fingerspelling must not be used. Guidance for administering the test to pupils with a visual impairment is contained in the modified test packs.
Before the test begins	 Review the list of pupils with any particular individual needs, for example, pupils who may need support from a scribe or a transcript made at the end of the test.
What to do at the start of the test	 Check seating is appropriately spaced and that no pupil can see another pupil's test paper. Check pupils do not have mobile phones or other disruptive items.
