

2023 copyright ownership: key stage 2 national curriculum tests

With the exception of the elements listed below, the 2023 key stage 2 test materials are Crown copyright. You may re-use them (not including logos) free of charge in any format or medium in accordance with the terms of the Open Government Licence v3.0 which can be found on the National Archives website and accessed via the following link: www.nationalarchives.gov.uk/doc/open-government-licence.

When you use this information under the Open Government Licence v3.0, you should include the following attribution: 'Contains material developed by the Standards and Testing Agency for 2023 national curriculum assessments and licensed under Open Government Licence v3.0' and where possible provide a link to the licence.

Schools and other educational establishments, as defined in the Copyright Designs and Patents Act 1988 (CDPA), may re-use the test materials in their entirety for educational purposes. However, if not expressly permitted under the CDPA, any other third party seeking to re-use the test materials should either replace the sections or illustrations listed below or seek permission from the copyright owners, as the Department for Education is not permitted to license the re-use of the listed material.
